

Student Activation: Strongest Proof First

A recruiter-readable journey that starts with intent, not a profile.

Guidance

Do not ask students to complete a profile first. Ask what role they want and what work proves it.

1 Choose target role

Tell us the role you want.
We'll tailor your proof.

What role are you targeting?

Product Designer Intern

Suggested roles

Product Designer Intern ✓

UX Designer Intern

Frontend Developer Intern

Growth Marketing Intern

Data Analyst Intern

Your passport will be optimized
for this role.

2 Pick strongest project

Select the project that best
proves you can do this role.

Your projects

+ Add project

Nova Mobile App
